

Date: July 31, 2007

BYCOR has completed EDAW a LEED certified project downtown.

San Diego, California (July 31, 2007) – BYCOR General Contractors has completed the 32,500 sf interior office remodel in the 5th and 6th floors of the San Diego National Bank building. Work was done in two phases because EDAW was occupying the space. Moved them out of the 5th Floor and built out new. Then moved them into 5th Floor and started over on 6th floor.

Paula Stickney of Stickney Design Assoc. was the designer. This is a LEED project and we've achieved the level of "Certified" for Commercial Interiors. Bycor achieved

class A or maybe B+ on the finishes. Project cost was \$1,700,000. LEED consultant is Sue Downs. Bycor management was Mark Gritzmaker and Steve Sotelo

Major subcontractors involved in the project include: Rick's Electric, Countywide Mechanical, Western Fire Protection, and Johnson Barnes and Finch Inc.

Headquartered on Marindustry Place in San Diego, BYCOR General Contractors has been providing tenant improvement and shell construction services in San Diego County since it's inception in 1981.
