FOR IMMEDIATE RELEASE

### **Construction is completed at Cornerstone Church of San Diego**

San Diego, CA (September 15, 2008) –BYCOR General Contractors completed construction on the 35,000-square-foot Cornerstone Church of San Diego, located at 1920 Sweetwater Road, National City. The work included conversion of a 26,000-square-foot multiplex theater into a state-of-the-art, 1,500-seat sanctuary/performing arts center with a professional quality stage and green room, and the addition of a second story with several classrooms and pre-school facilities.

The BYCOR management team consisted of Rich Byer, principal-in-charge, Mark Gritzmaker, senior project manager and Jeff Miller, project superintendent. The entire church complex was designed by Brion Design, Inc. of Solana Beach, with Lena Brion serving as director of design and Victoria Koga as project manager. Major subcontractors include: Casper Company, Karvon Electric, Collins Plumbing, Superior Air, Metro Steel, Certified Concrete Inc. and Paramount Fire

Earlier this year, Cornerstone Church completed the construction of the adjoining 5,300-square-foot administrative center, which includes a contemporary coffee bar/bookstore and corporate offices.

Headquartered on Marindustry Place in San Diego, BYCOR has been providing tenant improvement and shell construction services in San Diego County since 1981.

Brion Design, Inc. is an award-winning interior design and space planning firm that specializes in complex design challenges. For information, contact [www.briondesign.com](http://www.briondesign.com)
